TEACHER SPOTLIGHT

Miss Lynell

Miss Lynell has been teaching here with us for the past fourteen years. We are so lucky to have her! Not only is she excellent with her students, but her dance ability and choreography is remarkable! Her teams have taken several first places and she has received many over all high point awards. Lynell definitely has each dancer's best interest at heart, as you can tell by her statement:

"My main goal as a teacher is that every little girl feels beautiful and loved." Lynell loves music and dance and feels fortunate to be able to share that love with "each of your darling daughters." Lynell has five children of her own, who keep her running with their many interests, hobbies, and school activities. She loves to read, and is a big fan of sushi!

Thanks Lynell, for all that you do and for all that you are!
