MANDATORY WORKSHOPS

We would like to schedule all of our choreo workshops to learn our comp routines in the summer and into September. We choose dates when we have the least amount of dancers gone. These workshops are mandatory, and if your child is not present, they are required to have a dancer stand in and learn the choreography for them. Your child is then required to learn the choreo. Please list the days that you will be out of town or unavailable to attend a workshop, and include any other conflicts that you know of through June 2026.
